Dear TDT Staff members,

I am writing to you to thank you for all the guidance and support that you provided me in my endeavour to obtain HR Non-synchronous license in the last two days. The office staffs are very friendly and supportive in their approach and communication.

I had Mr.Kris as my driving instructor who put up with all my driving panics! I had fantastic lessons which were always enjoyable and felt completely comfortable asking questions when I needed to. I highly appreciated all the methods that he adopted to help me get over my bad driving habits including his fantastic sense of humour which helped much at making every piece instruction so enjoyable and unforgettable.

It is worth motioning that my test supervisor Mr. Michael was very supportive and encouraging. It was due to his sense of humour and conversation that granted me all necessary confidence to pass the test.

This is defiantly the right school to learn with and I will be much happier to recommend to my friends if they want to learn and obtain driving license and other related skills.

My best wishes to TDT Training Australia.
